 ©Copyright 2004 Joy of the Needle

Hip Hip Hooray is worked on 32 ct. natural linen. The stitch count is 36 X 51. The finished size is approximately 2 ¼ inches by 3 1/8 inches. Cross stitch over two linen threads using two strands of floss.

Crescent Colours

- ▲ Manor Red
- Bamboo
- ♥ Wavy Navy

The border is worked in Smyrna crosses over 6 linen threads using one strand of floss. The squares of the border show where the Smyrna crosses will go. I have written letters inside each square to help you know where to stitch what color. The letters R,W and B stand for red, white and blue. Using one strand of Manor Red, work a Smyrna cross in each square marked with an "R", use Bamboo for squares marked "W", and use Wavy Navy for squares marked "B". Use one strand of Bamboo to work the star stitches, and one strand of Wavy Navy to backstitched words. **This is a free chart and may be reproduced, but not sold.**
