♥ Midnight

× Angel Hair

○ Mulberry

Work cross stitches with two strands of floss. Backstitch words in solid lines with one strand of Midnight, and dotted lines with one strand of Mulberry. Work Smyrna crosses with two strands of the same color floss used in that row. Follow the diagram, bringing needle up at numbers and going down at letters. Using matching thread, attach one ivory star button from Just Another Button Company in the center of the blue area.

This is a complimentary chart and may be reproduced but not sold.
 Happy stitching from Joy of the Needle!
